Dear Sir/Madam,

I am writing on the behalf of Mr Brian Johnson, I am a former Student of Mr Johnson and I think he is a very nice and honest person and a really good teacher. When Mr Johnson started to teach me from 2005 until 2006, he really open my eye to what I could achieve in life. Even to this day his words still means alot to me, when everyone gave up on me, he would tell me never to give up and that I can be anything that I want to be, he also had one to ones with us as well so that we could set aims and objectives as to what we wanted to achieve. I personally think Brian is a good teacher and many of his former students would agree with me.

Yours Sincerely
Adrian Henry
